Short Description	Max 80	Turn household chores, bedtime routines, and homework into gamified quests!	78 / 80

3. Full Store Description

Copy and paste this unified description into the main description field for both store listings.

Turn Chore Time Into an Epic Adventure!

Tired of nagging your children to brush their teeth, do their homework, or clean their rooms? Welcome to **Kaeluma**—the ultimate gamified chore app designed to trade routine power struggles for family guild collaboration.

Kaeluma (formerly "LifeXP") takes the psychological hooks of premium video games and applies them to real-life household responsibilities. By turning chores into "Quests" and rewards into "Loot," Kaeluma empowers children to build self-directed independence and routine autonomy.

Why Kids Love Kaeluma:

- **The Quest Log:** View daily responsibilities as exciting gaming quests.
- **XP & Leveling:** Complete tasks to earn Experience Points (XP) and level up.
- **Custom Avatars:** Unlock 32 dynamic interface color themes (Seedling, Plasma, Amethyst, and Galactic Nebula) as you level up your family ranking.
- **Gold Coins:** Earn virtual currency for real-life efforts. No real cash is ever used.

Why Parents Trust Kaeluma:

- **Parent Sanctuary:** Create, edit, and schedule custom quests tailored to your child's age and abilities.
- **PIN Protection:** Verify quest completions and approve reward purchases behind a secure parental PIN shield.

- **Custom Reward Shop:** Define rewards that fit your family values—exchange earned coins for screen time, pizza nights, pocket allowances, or special family outings.
- **100% Free & Private:** No paywalls, no ads, and no targeted marketing trackers. Your family's data is kept private.

Community Supported

Kaeluma is built by a dad who wanted a positive, ad-free space for families. We do not charge subscriptions or sell your data. Kaeluma is 100% community-supported through voluntary parent donations via Stripe to cover server hosting costs.

Stop nagging and start questing. **Download Kaeluma today and turn daily routines into a game!**
